1. 2019 Conference Updates / Needs

The executive committee and representatives from VA/MD discussed the upcoming 2019 AVAP conference. Some key takeaways included:

- Need to have moderators for the new-comers panel.
- No need to add food to the mid-morning breaks, just beverages.
- Add snacks to afternoon breaks.
- We need to be cautious of late afternoon outings due to DC rush hour.
- With two AAVMC awards this year, more time needs to be allocated to their presentation.
- Most of the sessions will be roundtable conversation.
