

**Monthly Conference Call Minutes
November 21, 2022
Zoom Meeting**

Attending- Joe Montgomery, Bill Venne, Kay Glaser, L. Kay Allen, Niki Theobold, Tim King.

1. Executive Committee Monthly Call-

We had a very brief meeting due to Thanksgiving week and not much new business. Karen could not attend but she is working on wrapping up budget issues from the 2022 conference and should have a final budget soon.

2. 2023 Denver Conference-

Tim reported that the Conference Committee is moving ahead with Kay Coughlin as the keynote.

Karen is sending out sponsorship letters now. With the late start they will have a January 31st deadline, leaving plenty of time for follow up and getting logos etc. from sponsors.

They are now reviewing a draft agenda and getting sessions planned.

The committee is also working out details for a tour of Colorado's Denver facility, Dumb Friends Animal Hospital.

They are looking at getting charter bus transportation and think we might only need one bus since many probably won't attend on Friday afternoon. If we do need 2 busses, we can have the one bus loop back for a second tour.
